“ *To The Family Of Angela,*

Words cannot describe how sorry I am for your passing and loss. Please allow me to extend my deepest sympathies and my very utmost and genuine heartfelt condolences to each and every one of you. I can only imagine what you all are going through during these unusual and unprecedented times. Nana had a long life.

For those of you who do not know me other than Brittany, I was a student at CAPA High School and Brittany was a couple years behind me. So I got to know Brittany over the years as we go back two decades. I am here if you need and/or want me.

Love And God Bless,

“Babe, what a beautiful example of human kindness you were. Your outgoing personality and laughter touched so many people. I know this for a fact, because I am one of them. When I was having a bad day and I needed a laugh, you were there to put a smile on my face. You made me look at things from a different perspective. Our long talks, laughter and let's not forget all the priceless memories. You welcomed me into your home, you treated me like I was your own. So, I want to Thank you for all of the wonderful memories. ❤️ you will be missed beyond measure. When I'm having a challenging day, I will think of you and smile. You were truly one of a kind.

I'd like to share this poem.

The White Chariot - by Julie Johnson

During your journey on your final flight home. White wings will carry you and you will be flown. To the pearly gates of Heaven, where they will usher you in. To the feet of your Lord, your Saviour, your friend. He will hold you in his arms and the angels will sing. As another one of His children is delivered by white wings.

May you rest in eternal peace and love.
