“ So many memories shared with Anthony and all of the old Warnock Street gang. Another goodbye to another good friend. My heart goes out to Big Nick, Carolyn and Little Nicky. I'm sure Carol gave him a big hug upon his arrival in heaven for a job well done down here.

“ The best coworker EVER! I worked with him at The Warwick, 80s and The Ritz-Carlton. Hard worker who brought cheer and laughter where ever he went.

“ Uncle Nicky, Carolyn, Nicky Jr. and all, Anthony was one of the kindest and most compassionate people in the world. So loving and giving and all you needed to do was simply ask. He expected nothing in return. He is now safe and secure in the arms of our Lord. Our prayers are for you during this very difficult time.

“ We worked with Anthony at Pennsylvania Hospital and we remained friends for many years. He was a ray of sunshine! We used to enjoy dinner at Barrels Fine Foods and explore the city on our days off! The world needs more people like Anthony. Always laughing, smiling, and looking on the bright side. Sending love from all the nurses at PAH.

“ Dear Nick, Carolyn and Nicky. I am so sorry for your great loss. Anthony was a great son and older brother. He always had a smile on his face and stepped up when Mom passed. I remember spending time at your house growing up hoping that Anthony was home because he always made us feel comfortable and lent an ear when needed. Her was the epitome of what a son and brother should be and I know Mom is happy in heaven with Anthony knowing he is now longer suffering. He will be missed greatly. May he rest in peace. “ Anthony was a great man in every sense of the word. He was brave, thoughtful and cheerful in the face of danger and stared it down. God Bless and RIP . His life was filled with people whom he loved and folks who adored him in return. This world is a better place because of him. What more can be said of a man?
