“ Anthony, I was so very sorry to hear of your mom's passing.... I don't know if you remember me.... We worked together at 9th & Ellsworth when you were a little boy...  
Your mom was one in a million  
God bless, love, Toni

“ Julie and Anthony, Your mother and I worked closely together at Southwark School for several years. Our kindergarten children loved her and I did too! I always laughed at all the stops she made on the way to work or during lunch: different stores for rolls, frozen pasta, etc. while walking to work in high heels! Betty was friendly to everyone she met. I know you will miss her.
