“ *Dearest Linda, there are no words to express how much you will be missed. I will miss our little talks and the love you had for your family, especially your little Teddy. I will always remember all our younger years that we spent together on Sunday's and all the Holidays, our senior prom and all the laughter when we were together. You were such a giving person how you took care of your sister Annie and your brother Joey, now your family in Heaven is there for you and I know they welcomed you with open arms. May you have all the happiness in Heaven the you truly deserve....God bless you forever and ever !!!!! All our love, Angela & Charlie*

“ Aunt Lin, We love and miss you. You were the **GREATEST** Aunt/Sister that anyone could have asked for. There was always love in your hands and in your heart for everyone. You are the sun that shines on our faces and the wind that blows through our hair. You've already got your wings. You are our Guardian Angel. You went with your unyielding faith, knowing that brings peace to our hearts. You may be gone but will **NEVER** be Forgotten. Love, The DeSimone and Squillaciotti Families
