“ Dear Ben, and Rich, (and for your father and my cousin, Richard), I am so sorry for the loss of your mother. Many memories of your mother and dad visiting us on Pine Street in Glenolden when they were a couple, going to college, and newly married. Your mother always looked after your Dad. They were so much fun to be with, jokes, and laughing. I will miss your mother. I am looking at my phone, and the last text to your mother was Christmas that we wished each other a Merry Christmas. My prayers and thoughts are with you both for both your Mom and Dad with his Parkinson's. Nina Mecca Centrella
