“ *This is the 1st Mother's Day without you. You were always special to me & treated me like "the daughter you never had." You very well may have said that to your other 2 "in laws" too. But, never the less, it was special. I love you & I miss you .*

“ *Our condolences to the Castellano-Kearns families. Aida was a dear neighbor and friend and will be missed and always remembered. She and our mother Anna played Kings Corners cards often. What good times they had. Sometimes our family members would join in especially Anna's grandson Mike. Rest in heavenly peace Aida. Maybe you can play a game or two in heaven with Anna.
Love and prayers from Anna DiBlasio's family.*
