“ *Brother*
You gave no one a last farewell
Nor ever said goodbye
You were gone before we knew it
And only God knows why
A million times we will miss you
A million times we will cry
If love alone could've saved you
You never would have died
In life we loved you dearly
In death we love you still
In our hearts you hold a place
No one else could fill
It broke our hearts to lose you
But you didn't go alone
For part of us went with you
The day God took you home
We will meet again someday
I know in a better place
I thank God he made you my brother
While you were here on earth

“ I was deeply troubled and very sorry to here this sad news - Eddie was one of a kind. While we've grown apart over the years I still have very fond memories of our youth. Still today, whenever I listen to the oldies Eddie always comes to mind. Take care my friend - will see you on the other side some day.

“ Eddie, I haven't seen you for awhile until recently at Dads funeral. We all grew up together, Bernie, Eddie, Nicky and I, being from the same neighborhood, living just around the corner, attending St. Richards we all had our fondness of sports.

We loved following the Flyers watching them in Mom and Dads living room on Sydenham Street and we enjoyed playing hockey, whether it was street hockey, roller hockey or ice hockey.

Eddie had a good soul, always fun to be around and hang out with, may God Bless Mary and the entire family on their loss.

God rest his soul.
