“ *Dawn where do I start how much we tried to be a team as Grandmoms, I respected you and we were all about the kids happiness when my son would come on Christmas every year with sacks of toys and clothes for Brooklyn and always had something for all the kids until 2020 our lives across the world changed and everything was different than the happy times when I went by for my beautiful Brookie and all the kids ran to me 😞 we tried honey and I want you to watch out for them all from heaven with Nicole, I wish we got a chance to talk 1 final time but you always knew how much I loved you all especially the kids ..me and Jordyn just had our birthdays again the 14th and I think about her every birthday on August 14th and how jealous Brooklyn was that me and Jordyn had the same birthday 🎂, she'd say no fair 😊 I wish I could turn back time, rest peacefully XO*
