“ *My dear friend Rocco. Its been a pleasure to be your mailman for so many years. I was fortunate to always have a cold grape soda on a summer day. It was a honor to shoot the shit with a old school italian in a old school italian neighborhood getting the history lesson. I will miss you buddy and I will always remember you! Now you can rest peacefully upstairs with the old school italian friends you once was neighbors with. Love Frankie*

“ Condolences to Mr. Rocky family!! I hope this message may bring a smile to your face. Mr rocky literally watch me and my entire family grew up for 30 years plus. He have watch all of my 6 siblings transformed from kids to teenagers and now adults who now have kids. He then watch out kids grew up!! Never a day he was upset. He have always lived a positive mindset , living and caring neighbors and sure did love the kids! Always gave my kid and nephews and nieces a dollar or two just to bring a smile to the kids faces! He have watch my parent get sick and gotten well and was always concern and asked about their well being! Mr Rocky loves his grand kids and will always show off! He would bring pictures of his grand kids out to show us and braggggg about how much he love them!! I can go on and on about him but then I won't end this message!! I just can't believe this and I'm just so blessed to have all these years as my neighbor! Love Linda chak who lives at 1630 s Bancroft street ❤️
