“ Mom, I am deeply heartbroken. I don't know what I'm gonna do without you. You've met so much to me over the years, especially the last two years living with you and help take care of you and to see you take your last breath. I know you ain't suffering anymore. I will love you for the rest of my life and miss you your son, Jimmy.

“ RIP Aunt Louise

You will truly be missed. I remember when my mom would tell us aunt Louise is coming over and how excited we would get because we knew we were going to have a great time and laugh the whole night and when you and Gail would tell me, my freckles were fly shit on my face Lol! But my favorite thing about you so loving and caring you really were and would do anything for anyone ❤️. Give my mom a kiss for me. Make sure you keep my dad, your crazy brother and check. You might be gone but you'll never be forgotten ❤️💔❤️ . Love ya ❤️

“ RIP Aunt Louise, I remember all the wonderful stories you always told about you, my moms and sissy's shenanigans.. Always the funniest ever. Whenever my son knew you were coming by our house. To see us he would just sit there because he loved your stories and especially your cursing lol then he would curse and say Aunt Louise does it and laughs at her lol. Now you have no more pain give my mom and dad and perry a huge hug and kiss for me . I will forever love you my beautiful aunt 💔💔💔💔💔💔💔💔💔💔😭😭🙏🙏🙏
