“ We are so sorry to hear of Fran's passing. Fran & her late husband Rich were members of the Garden State Classic Thunderbird Club for many years at the time they had their printing business. They supplied printing needs for the club newsletters prior to the digital era. What great people! In recent years, they were unable to continue being members due to health issues and just prior to Rich passing, planned on getting back into the club and had attended one of our meetings. Then Rich passed shortly after that so unexpectedly. Fran had such a sweet and quiet disposition. A lovely person. We have missed them both. Our condolences to her family.
