“ *To my dear brother and friend, Pete Palestino, and the entire Palestino family, I would like to respectfully convey my deepest condolences for the passing of Mr. Palestino. As someone who has had both parents pass, I can feel your deep deep sadness, but if I may respectfully say, our loved ones who have passed have not truly left us. I speak to my parents many times a day and can feel them around me. Please know he is at peace now and reunited with all that have passed before him. In God's name, Rest In Peace, sir.*
