“ *Dear Joanne and Joseph,
I know there are no words that can ease your pain. Just know that I am always here for you both. My son practically is family to you and grew up in your home and I am very grateful for you all . I am praying to the Lord every day for your family.*

*I had a memory the other night from years ago, I was walking up your street and Joe was outside having a catch with Chivs and Joanne you were at the door asking me to come in and have coffee. I remember the Love he had for both of you. I saw it and felt it.
Love always,
Denise*

“ *Some of the best sports memories in my life are with big Joe and little Joe. I will never forget our trips to Canton, Ohio for HOF weekend & all of the trips we did down the shore. Joe was such a good guy and I loved talking with him even if it was just a short conversation. You will never be forgotten. I know you will look down on little Joe & guide him through his successes.*

*Love ya man,
Johnny Capizzi*
