“ I met Karen and worked with her for many years. We had many laughs and good conversations. I always called her for some of her great recipes. She was a kind and caring person. I'm going to miss our conversations via text and phone calls. I'm happy she is no longer in pain and where she wanted to be and that is with Larry. Although she isn't here she is in spirit. I have been seeing many cardinals in my yard since her passing and I talk to them like they are her❤️

“ I worked with Karen for many years. She was one of the coolest, kindest person I met. I am a heavy girl that felt like I didn't belong but Karen became my friend. I was on cloud 9 feeling like I won the lottery being friends with this cool girl. Karen didn't judge by looks just your personality. Thank you Karen. Rest in Peace with Larry.❤️

“ To Carol, Michael, Kelly and all of Karen's Favorite Grandchildren,
Mom isn't gone. She has just relocated to a way better place. 'She
may not be here physically, but she will always be with you in spirit,
because love never ends'

Love you lots,
