“I will never forget Katie and her beautiful smile. Waiting to pick up my daughter Alexa and talking to Peg who would get Katie. Even though the girls didn't stay close as they got older ,I will never forget the times they shared together as young ladies. Katie waited on me and my Mom at the Penrose and she was sweet as ever. A beautiful soul gone way too soon. RIP sweet angel. My thoughts and prayers are with you Jen ,Peg ,Bill and Will and all your family. Love Kim Passaro , Alexa and her grandmother SueAnn.

“ *Katie was a coworker of mine for about two years. I truly adored her. She was just so sweet and a breath of fresh air. I remember one time she came into work with blue hair (that only Katie could pull off) with the cutest pink butterfly clips in it. She looked like fairy. She always looked like a fairy. She was kind, personable, funny and FAST. She was a ball of energy. She used to crack me up, because she was so petite but would eat these HUGE sandwiches and burgers and I never knew where she put them. I will miss her terribly. Our whole crew is a mess at this time, because she was loved by everyone, and that's not an easy feat to pull off in the workplace. No one ever had a bad word to say about Katie. I just need the family to know she was loved and many of us are going to be at her service to let the family know this. To the family: you raised an angel.*

Renee Coupland - November 25, 2024 at 05:08 PM

To Renee Coupland, though I have never met you, it is clear that you knew Katie. Your words warmed my heart. She really was like a little fairy and is most certainly an angel.
