“ *Primo,  
I got 9 years spent together as your granddaughter in law, even tho  
you never treated me as an in law, I was always considered family  
with you. You were an amazing man, and I am so blessed to have  
gotten to spend this time with you. You taught me a lot of things  
about being a good girlfriend to your grandson and I hope that billy  
& I made you proud. I am so thankful that my son got to spend the  
time he did with you, and we will always make sure that remembers  
you and all the things you did for him. I wish you got to meet our  
second baby but I know you will be watching over us and protecting  
us. Please give the family a sign that your with us, they really need  
it. Hope heaven is treating you well, and keep watching over us. We  
love you Primo*

“ My beautiful grandfather. Words cannot explain how lost we are without you and the pain we feel. You left us so suddenly and I wish we got more time together. You will forever be in our hearts and in our everyday lives. Everything we do we think of you. Not a day will go by without the thought of what a wonderful, loving, kind, and strong man you are. You are the reason for who I am today. Your stories and talks are something I'll never forget, your love and care will get me through the days, your kindness and strength is what makes me want to be just like you. I am thankful for the time we've got to spend with you I just wish we got more. Please watch over us all my angel. I love you my pop forever and always. 💙💙💙💙💙
