“ *Aunt Roe, I cannot believe your gone. I loved you more than you'd ever know. The way you always checked in on me and asked about Ryan highlighted my time with you. I never learned your bad nursery rhymes but I always knew that if I cursed I did it with you. So thank you for all of our f-bombs. I will always cherish our memories and good moments. Thank you for always giving me your unconditional love. Your memory will forever live on in my life and in future generations. I love you so much, forever and always, to infinity and beyond.*
