“ To Maria, Carla and family. We send our condolences to you. May the memories you shared together help support you in this time of grief. Almost 29 years ago when my parents and I paid a visit to your mom, is where I would meet my future husband Nick. So her spirit lives on and she will not be forgotten. She adored you Maria and Carla and her grandchildren . She was such a hard worker. With much love and God bless to you and yours. Cousin Diana, Nick and Domenica.

This is less of a memory and more of a tribute! To a beautiful grandma who left behind five beautiful grandchildren, who I am lucky enough to know! God bless you and all you did for your grandchildren. They are truly special.!
