“ *The world has lost the company of an Angel living on Earth. He was referred to as, "Pop" by my kids and "A Great Guy & Friend" by my Pop, Ken. No matter what anyone called a Kenny, his strong masculine presence, kind and loving ways, and deep gratitude for friends and the love of family will be the way I will always remember him. My son, Sean, and I will never forget his love and kindness. He will sadly be missed by us, but forever in our hearts.* ”
