“ Dear Laurie,

*My heart is aching. It is so hard to believe that you are not here. I will always love you dear cousin. You have always held and will always hold a special place in my heart. You were so much a part of our family when we were growing up. I will treasure all those happy memories of birthdays, Sundays at Grandmom's, Saturdays afternoons at the Broadway movies... We had so much fun. Our paths took different directions later on in life, but I thought of you often and always with love. You will always be right here with me whenever I think of you and I will never forget you, Laurie. You live on in my heart and in your beautiful kids and grandkids. "Goodbye is not forever, love is." I know we will see each other again someday. Until then, Laurie, rest in God's glorious peace.*

*With Special Love,*

*Cousin Elaine*

*Dear Anthony, Brandon, Jerry, and Marla,*

*Our deepest sympathy on the loss of your Mom. Our thoughts and prayers are with you during this difficult time. - Elaine and John*

“ Marla, Italia & Via-Gerri,  
I am saddened to hear of your loss. I know how good your Mom, Mom Mom was to all of you. No words could ever be said to take your pain away, but lean on the people who love you and know that we are all thinking of you. Marla, your Mom will guide you from above. She may not be here physically, but I am confident that she will always be with you and the girls in spirit forever. Rest in Peace beautiful angel.
