“ I never met a classier / smarter man then John. I miss talking to you & listening to your corny jokes. Love you pal. RIP 💔

“ *Uncle John had a way of making people feel so special--whether it was sesame street themed cupcakes, fishing tricks, sharing silly jokes, or just spending time. He was truly sensitive, thoughtful, and sweet. It was impossible not to feel that when you spent time with him, and I'm so lucky to have had him in my life.*
