“ *Pete,  
I have fond memories of Katherine. Up until a few year ago, we would talk on the phone periodically and update each other about our families. Katherine was a great lady and my parents thought the world of her. May the healing gifts of time and the timeless love of God carry you gently through the loss you are feeling now. With heartfelt sympathy and caring prayers for you and your family.

“Pete, my friend... my pal... I am deeply deeply sorry to have been informed of your beautiful mother's passing. Know that she is the hands of God for eternity. My mother is up there too, so it would please me to think they have met and are now friends, just like you and I. My sincerest and deepest condolences to you, Pete, and your amazing family. My heart is broken for the family, as I know the pain of a parent lost. To be honest, your Mother is not lost, but is found in eternal Life, given my God. I respectfully have you all in my heart, thoughts and prayers.

“Pete: Sending our deepest condolences on the passing of your dear mom. Both she and your dad were such very dear friends of our parents. Your mom and our mom spent many occasions together while our dads went off to talk with their cronies! Our mom was so very fond of her and looked forward to seeing her. May you all be filled with joy from the precious memories of your wonderful mom. Please give our love to your dad. Sending hugs and love! Michelle and Lisa

“ Hey Girlfriend  
Who am I going to call when I need phone numbers and information on how to get in touch with people, because you always said I never paid attention to what I was supposed to, guess I have to dial 1-800 God and ask for you.  
Always remembering the good times, and there were many., they will remain locked in my mind, heart and brain for eternity  
Miss you girlfriend and will cherish your beautiful friendship 💔💔💔💔  
Miss you girlfriend and will miss our beautiful friendship  
  
My friend, my buddy , forever loved, forever missed.

“ I'm so sorry for your loss, Cass was a very special person. We called her our Miss Cass, she crossed my 3 boys all through St. Monica's & kept them safe along with many other neighborhood children. She had a smile for everyone & you couldn't help but smile back. She also held court on her corner, everyday after dropping our children off at school, myself, Ronnie, Diane & Christy would chat & laugh with Cass for about an hour & sometimes we'd all go to breakfast where the laughing continued. Cass, you're going to be missed so very much. I'm so glad you were a part of my life & my 3 boys lives. Rest Peacefully Miss Katherine Rose.
