

## Paul Pupo

Paul Pupo, age 51, of Drexel Hill, PA, recently passed away in his home. Paul was born on

October 31st, 1973, in South Philadelphia, PA, to the late Anthony Pupo and Janet (Onorato)

Pupo. Paul is survived by his mother and his daughter, Francesca Pupo.

Paul graduated from the Girard Academic Music Program in 1991, where he earned a high

school education while also specializing in playing the saxophone. He attended Temple

University from 1991-1993, then decided to pursue a trade in the electrical industry.

Paul completed his electrical training and certification, then went on to receive his Master

Electrician license. Paul worked as a Master Electrician for many years before starting his own

electrical contracting business, Expert Electric, in 2012. Paul was an extremely skilled

electrician and provided outstanding electrical work for hundreds of homes throughout his

career. He was known by his clients to be reliable, efficient, and friendly.

When he wasn't working, Paul's favorite things to do were cook and grill, play video games, sit

on the beach, and spend time with his family. Paul had strong family values, and his main goal in life was to provide for his daughter, Francesca, and give her the best life he possibly could.

Paul is also survived by his large extended family and dog, Roxy, who will miss him dearly.

Family and friends may attend a memorial service honoring Paul on Friday, July 11, from 10-11:30 am, at Stolfo Funeral Home, 2536 S Broad St., Philadelphia PA 19145.
