“ Dear John and Policarpo family. It is with great sadness that I learned of your father's passing. He will be missed and will now take the ranks of an Angel. He will continue to observe, protect and humor those he knew and loved from above. Please accept my condolences and a prayer in this tough time. Mark T.

“ We now have another angel in heaven watching over us. Our thoughts and prayers are with you now and always. As you know, John was like a second father to me. He taught me so much during my many wonderful years working for him at the store. He entrusted me with more responsibility than warranted by my young age. He laid the foundation for how I approached work and life, and I have been blessed because of him.

“ I did not know Mr Policarpo, but I know his son, John. If Mr Policarpo was anything like his son, then a gentle, warm, loving, human being--with an amazing sense of humor, has left a huge void in this world. Rest in peace, Mr. Policarpo, sir.
