“ *My dear sweet Grammy,
You are in my thoughts and my heart every day. The house is not the same without you. Thank you for sending me all the signs. The butterflies, the cardinals, the street signs, license plates, and so on. Daniel and I even heard your voice a few times (I'm sure you were laughing up there as I wondered if I had finally lost my mind), so I know you are always with me. I miss you so much but I know you are up there, healthy again and dancing to Frank Sinatra (or KYW) with Pop-Pop, uncle Frankie, and now your honey bunny Lee. She took such good care of you here, and I know you were waiting to welcome her and show her the ropes in heaven. Please continue to watch over all of us and keep us safe in the crazy world until we get to join you with God. I love you Gram, and I'm sorry I took having you around so long for granted. 93 years wasn't enough. Xoxo*
