“ *For those I loved and loved me , when I leave let me go . Do not be attached to me with tears for the beautiful years we lived together , let us thank God . If you have to cry , let faith in God comfort your pain . Life goes on , I will be close , you will feel the warmth of my love in your prayers . When you have to travel that way , I will greet you with a smile and tell you Welcome , we will never be apart again !!! Don't cry for me , I haven't died . I rose from earth to Heaven to start living . The life of those who believe in the Lord does not end , it transforms .*

*Death is nothing, I just went to the next room . What we were to each other we still are . Call me by name by which you always have called me . Talk to me as you always have . Do not do it in a different tone in a solemn or sad way . Keep laughing as what made us laugh to together that my name be pronounced as home as it always have been . Without any emphasis without a trace of shadow . life means everything that it that has always been , the thread is not cut . Why would I be out of your mind just because you cannot see me ? I'm not far , just on the other side of the road , you will see , everything will be alright .*

*In the world you ceased to exist but in our hearts you will live forever . Your family loves you and will love you forever .*
