February 29, 2024

RICHARD A. Aviccoli, Sr. Age 77, passed on February 29, 2024.

Beloved husband of his late childhood sweetheart, Carol Aviccoli (nee Dragonetti). Devoted father of Rich (Jocelyn) Aviccoli Jr. and Ben (Stephanie) Aviccoli. “ I also graduated Neumann with Rich. Just happened to see this while looking for someone else. I'm sad to see this. We used to sing at our lunch table with Mikie Mastro and Billy Avarone. No hard edges, a real softie. I always imagined him being a loving husband and father. His family was very lucky. Saw him at one of our reunions with class of 65' a couple years back. Glad I got that opportunity. Rest in peace old friend and thanks for the memories.

“ As a graduate with Richie of Bishop Neumann High School Class of '65 and a Construction & Materials Engineer for the Pennsylvania Department of Transportation for over 30 years, I had the good fortune to know and have frequent contact with Richie both at school and at work. He was one of the 'GOOD GUYS'. Always a smile, always a friendly word, always helpful whenever he was needed and there just aren't as many like him around any longer. Richie will be remembered as a special friend.

“*I cannot express how grateful I am that I was privileged to meet Richard in the last stage of his time here with us. He will live forever in our hearts as we remember his stories, his views on current politics, his opinions on life in general, his infectious smile, the curls and of course those eyes. He was, is, and will continue to be loved and missed. He, along with your Mom raised two of the most caring, thoughtful, kind men we have met and you should both be proud of the relationship you had with your dad. While we will miss your Dad a lot, we can celebrate the fact that he has been reunited with the love of his life.*
