I just came across Franks obit. I am shocked. We grew up together. He was always so kind and would help anyone who needed it. I feel blessed to have had him in my life. Such a warm and caring guy. He helped my Mom & Dad in the house so many times. Now he is again reunited with his waiting brother. May he rest in peace and reap his much deserved rewards in heaven. 🙏🎈 Till we meet again. “ I am saddened to hear of the passing of my cousin and Godfather Frankie. I took you name as my middle named in Confirmation. As a kid I have so many memories of you, how you used to come to my house & buy beer and soda, as my father did not have car. How you used to take me for rides in your white convertible Chevy Impala, with red interior or when I used to go with you on your oil deliveries & was amazed at how the oil truck was filled up at the refinery. You were an interregnal part of my childhood, like the time in this same Church you lie in today how you carried me out after I passed out during a mass, or the time I was choking on a piece of candy, and you picked me up turned me upside down pounding on my back to dislodge the obstruction. Thank you for being a part of my life and being the awesome person, you are. I have these and many other memories. I will hold these remembrances close to my heart you will be saddled missed, RIP Frankie Beloved Cousin & Godfather

“ Sorry to hear of Frankie's passing. Even though it's been years, I have known him since I was a kid. I'm talking about when he was dating and married Joanie. That was a very long time ago. Our sincere condolences. Rest in Peace in the arms of Our Lord forever.
