“ *Dolores, I will miss you! You took me into your family like I was one of your own. Included me in everything you guys did and never treated me differently than your own children. You gave me advise daily. yelled at us when needed and we had many many laughs together over the years. You will truly never know what you mean to me and to my life. I still use the advise you've given to this day. Thank you for a great childhood with the Salvatores (my second family) I will miss you always! Rest easy Lore and give big Ant a hug for me! “ Dolores was my best and longest friend. We met when our kids were in grammar school together at Stella Maris... I will miss our dinners at the Penrose Diner, our trips to the dollar store., and our yearly day on the beach in Ocean City. She helped me more than anyone knows. I will never forget when my mother passed away and she came over with a dress she bought me to wear for the funeral. It fit perfect. Who does such a kind and thoughtful thing? She was a good cook and would bring me dinners of things I never had before and they were so good. . She will always be in my heart and memories. She is now at peace with the Lord.

“ Dolores was such a wonderful person and co-worker. She always had a smile on her face. We both worked for the same department at the OPA, but in different divisions. She was always very polite and respectful. My condolences to the family, friends and coworkers. My thoughts and prayers to the family. Rest in Peace, Dolores.

“ Hello,
I'm Jenay ByArd, one of Dolore's co/workers for 10 years. I'm so sorry for your saddness, but when you think of Dolores remember that she is now at peace, at rest, and no pain.
And this is just two of the many wonderful opportunities offered to Dolores, Psalms 37: 10-11, Isaiah 33:24.
I have you in my prayers.
