“ *RIP my dear friend santo, You have been cutting my hair for the last 50 years aside from you being my favorite barber you were always a friend to me, offering good advice from time to time, knowing him the way I did, he would always tell it like it is whether you liked it or not, That was santo, I'm sure gonna miss this man, They don't make them like him anymore. Also his brother Vince was an ace, God bless both of them. Frank Maniscalco*

“ *RIP Santo Procopio. He was much more than a barber to me. I thought of him, and his late brother Vince, as my uncles. I was his customer and friend since I was a teenager in the 1960s. My heart goes out to his family. Paul Davis*
