“ My beautiful lifelong friend Gianna, I can't believe it's already a year that you're gone. God had special plans for such a beautiful soul. My dad and I love and miss you so much, especially our 2 hour' conversations over the phone talking about mum shutting. Our favorite topic and time of year, we are just like our dads, lol. Please continue to watch over and guide your family and the ones you love. I wish for nothing more that you are now in peace, with your dad and other family and friends. Your spirit is strong girlfriend! Please never stop sending the signs. They have gotten me through so many hard times. You are missed, you are loved and you will never be forgotten. I love you G 💔❤️❤️XO❤️

“ Gianna, I am lost for words. There's no words to describe my pain for losing you. I'm so sorry Gianna. I remember that I had named you the day you were born. "Toodles", my life will never be right with out you. I know we had our differences but all sisters do because we are so much alike. I keep your memories alive through your hearts,Angelo and Lil Louis. They miss you dearly. I am sorry I didn't listen and take your advice more. I could of been a better sister and I'm sorry. At the end of the day, We were brought up with the best morals,respect,and values of life itself. Unfortunately the world is made up oof less fortunate, ugly souls,that surrounded themselves within our family. We naturally inherited beautiful souls and I can only know that your beautiful soul is now our Guardian Angels, to me, Tommy , The family, Jordana,and those you know at heart who truly knew and loved you best. Your far too good of a person for this deceitful world. I'm just beside myself that I couldn't protect you better. Rest In heaven with Daddy. Always be with me and the boys and I'll see you in my dreams,my angel. I love you Lil Sis.

“ My beautiful Gianna, I remember the day your parents brought you home from the hospital. You were like my little sister. These past 2 years we have gotten so close I cannot believe you are gone. You are supposed to be at my house right now laughing and enjoying ourselves like we planned. I am completely broken hearted. My dad is too, you were like a daughter to him. New Years Day will never be the same without you, we had a ball this year. The only peace I have is knowing you are with your dad now who I know you missed so much. You are gone way to soon but I will carry our memories with me forever. I love you G.

“ May God give you comfort during this very difficult time. May he hold you when your sad, May he strengthen you when you cry and may he provide all that you need to survive. There is a support group called grief share. Its counseling that may be beneficial
