“ To Donna Marie, Diane & Paul- I am so sorry for the loss of your mother . She was a great lady!! I remember how she would reminisce about my father & how she would cook different Italian dishes , both being from the same town in Italy . I remember how she took Nancy to your house the nite my father passed away to shield her seeing his death . I am praying for your mom that she is in peace but I am so sad for u kids!! I will always remember Teresa having a smart answer and we both would laugh - maybe they all together in heaven - I hope
