“ To our cousin Albert:

You fought a valiant battle and we, your family, cheered you on. You told us that you were tired and wanted to be with your beloved wife Lee, your mom and your brother. We understood and you let nature take its course. Your wish is now fulfilled. Thank you for your service to your country, and also as a lifelong firefighter. Thank you for being a great cousin who always protected me when we were kids. No one would mess with me with you around. I love you Al. You will be missed. We love you and know that you are happy.

Love

Co and Terry

“ My beloved cousin Albert will be deeply missed by everyone who knew him. Albert loved his mother, Florence, his brother John and all of his cousins and friends. He proudly served his country in the U.S. Army and was honorably discharged. He was stationed in Korea where he met his wife Lee. Albert served and protected the citizens of Philadelphia by being a decorated fire fighter where he retired from. Albert was a true lover of the outdoors and nature. He loved and enjoyed fishing and hunting with all of his friends and did it all of his life. Albert loved his Italian heritage and he loved to eat. Albert displayed Herculean courage as he fought valiantly against his illness and obstacles over the past year. He had no fear of dying as he strongly believed in God and that he will once again be reunited with his loved ones. God bless you Albert!

“ My you rest in peace my friend. You will be greatly missed. Sitting next to you on the sidelines and yelling and cheering our grandson on as we watched him grow up and play baseball together. You were always there. Our picture sharing and blow by blow inning updates were the best. As you shine now as our guiding star. We will look up and know you are shining down on us all.
