“ Thinking back to how you made sure we knew all the ins and outs of owning our first car and the times the three of us would meet up and talk for hours on those summer days. We'll miss hearing you tell us stories from way back when and cherish all the moments we spent together. You were a Father figure to us. You will live in our hearts forever! ❤️

“ I was thinking back when my father, Carrie and myself went to Atlantic city. My father loved the Claridge Casino. Well after a while I lost all my money and my father was giving me some of his. Carrie was watching when all of a sudden Carrie said Donna wait. Just then my father hit the Jack pot for 1380.00. It wasn't millions but we we're all excited. Then he took us to eat. First it took forever to get him away from his lucky machine. Good Times. 😊🙏😊

“ *My deepest sympathy to you Carrie, Donna, Frankie and family of Willie. Carrie my heart really hurts for you. Willie was so lucky to have you in his life and the care that you gave him all those years. You put him ahead of yourself. You have no regards. Willie is at peace and no longer suffering. May God Bless you always.* ”
