“ George, I am going to miss you forever! You have been a great friend to me for over 25 years. I looked up to you as a big brother. I will always remember the fun times that we had both working together at Walmart and all the places that we hung out at! You had so many people that cared about you everywhere that you went. I am still in shock that you are gone. I don't want to think about not seeing you again or talking to you on the phone. I could talk to you about anything and everything that was going on in my life and you were always there for me to give me good advice and support me. I miss you so much. Until we meet again, RIP George.

“ My Uncle G,
You never forgot a birthday, holiday, or special occasion. You were the best uncle I could ever ask for and always knew how to make me laugh. I will always be your "showstopper, the main event."
Thank you for everything to say I will miss you is a huge understatement. I love you.

“ To my brother,

A lot to say, but moreover I am very saddened you have left us and will really miss you and our conversations. Your kidding mannerisms put smiles on all of us (Especially Mia). Be in Peace 'G-Money'!
Love you forever!
